By Zyrus Fauss

The Veterans program was virtual this year. To start off preschool recited the pledge of allegiance, and sang "See the Veterans". The junior high and high school band played the Star Spangled Banner, the Washington Post March, and Armed Forces Parade. After that Sydnee Sweley gave her speech on the Voice of Democracy Essay. The K-2 grade sang and acted out the Veterans March. The Jr High Choir sang Do You Wanna Know Freedom and Out on the Line.

Elementary students parading around the businesses in their costumes for the community to see. This replaced the usual trunk or treat that takes place at the school each Halloween due to COVID.

High School Football Season Recap

By Shamane Zentz

The final game of the season was against Brunning Davenport Shickley at Ansley. BDS was a very tough team, but the Spartans never let down and kept fighting back. Ansley-Litchfield finished the regular season 5-3 and went 1-1 in playoffs, giving them a record of 6-4. This season had a lot of ups and downs, they had injuries at the beginning of the season in important positions. With those injuries a lot of the boys stepped up and took on different positions they had never played before. As the injuries got better the Spartans were able to run towards the end and make the playoffs. The difference between Ansley-Litchfield's first game and their last game was the leadership. Throughout the season they had many players lead the team in different ways. Coach Blauvelt said, "It was fun to watch the guys grow and mature as football players throughout the year and gain the confidence needed to play a few games in the playoffs." We are proud of you boys!

Junior High Volleyball Season

By Shamane Zentz

The Junior High Volleyball season was full of improvements, their final game was at Ansley High School against Amherst. The routine was very different that day since there was no school and two girls had just got back. A-team came out strong in the first set, but the second set we sunk into a hole we couldn't get out of. Our A-team fought hard in the third set and went, but unfortunately a win just wasn't in the cards. Next up was our B-team, but Amherst could only play until 4:00, this meant that our team could only play for 10 minutes. At the end of the time the B-team was clearly ahead and took a win. A-teams record at the end of the season was 5-5 and B-teams record was 3-5. They really improved over the course of the season, both Coach Drew and Coach Kulhanek were very proud of the team and their growth over the fall.

High School Volleyball Season Recap

By Shamane Zentz

On Tuesday, October 27th the lady Spartans had a tough competition in the final game of sub-districts at Ansley. They played against Anselmo-Merna, we weren't quite ready to defend against their hard hits on our left that night. The Spartans played hard and kept a close game with the Coyotes. The lady Spartans had a terrific season and the record was 13-15, which is a long way off from the estimated wins at the beginning of their season. They went through several changes at the beginning at the season and finally settled on a rotation that out them on the right track for the season. Their passing and hitting was at the peak right around FKC and for the 2nd year in a row our lady Spartans finished in the middle of the conference. There were some younger girls that stepped into new roles and veteran players that really started clicking with each other. Coach Smith said, "The passing, communication, and off season work will be the key to continued success." We are proud of you Lady Spartans!

College Planning Bulletin

A monthly college planning guide for Nebraska high school students

December 2020

What to expect after you submit your FAFSA

The FAFSA opened October 1, so many of you have already completed and submitted your form. Here's what happens next:

Expect a Student Aid Report (SAR) via an email link. The SAR tells you that your FAFSA was processed and lets you know if you need to take further action.

Watch for verification requests. The college(s) you listed on your FAFSA might request verification of your FAFSA information. If so, send the required documents to the colleges' financial aid office. The college will not process your financial aid until they receive the documents.

Watch for financial aid award notifications. The colleges you listed on your FAFSA – and were accepted to – will send you financial aid award notifications detailing the types and amounts of aid they're offering based on your financial need.

Haven't completed your FAFSA yet?

No problem! You and a parent can complete the form at studentaid.gov. Before you start, create a Student Aid Account (FSA ID) for you and one for a parent. You'll need them to access and sign the FAFSA.

For *free* help with the FAFSA, watch these brief FAFSA Demo videos, use our FAFSA Tools, or call the EducationQuest location nearest to you to make a virtual appointment:

Omaha – 402.391.4033 or 888.357.6300 Lincoln – 402.475.5222 or 800.303.3745 Kearney – 308.234.6310 or 800.666.3721 Scottsbluff – 308.708.7199 or 800.303.3745, ext. 6654

Virtual College Fair site will remain open until Dec. 1

EducationQuest held virtual college fairs Sept. 27-30 and on Nov. 17 so that students could meet with college reps and watch live college-prep presentations. Even though the live fairs are over, you may visit the site at eqf.org/collegefair until **Dec. 1** to visit college booths and watch recorded sessions. If you visit at least 3 booths, you'll be automatically entered into a drawing for a \$500 scholarship!

Winning the scholarship game

Follow these tips to increase your chances of earning scholarships:

Don't ever pay for scholarship searches! Use *free* resources such as *ScholarshipQuest* at EducationQuest.org with over 2,000 Nebraska-based scholarships. You'll also find a list of free national sites that we recommend such as Chegg, College Board, and Fastweb.

Visit your school counselor often to learn about local scholarships.

Focus on local and college-based scholarships because you're more likely to earn them.

Update your activities, honors, community service, and paid jobs using the *Activities Resume* at Education-Quest.org.

Earn the best possible ACT/SAT scores by taking the exam(s) in the spring of your junior year and again in the fall of your

senior year.

Use quality references such as a teacher, coach, or counselor. Encourage them to write specific examples of your leadership skills. Give them a specific deadline, and a copy of your Activities Resume.

Tailor your essay to the scholarship. Ask an English teacher to read your essay and offer advice on making a big impact. Your essay will need to stand out from other applications.
