Gym Renovation at Litchfield

Renovations to the "Spartan Gym" were completed this summer. The old spayed on cellulose insulation on the ceiling and beams has been scraped off or covered up. The beams, basketball standards, and walls were painted in April before graduation. Then the week after graduation, the floor was covered by plywood and the old lights and fans were taken down. When school was let out for the summer, it got busy in the nearly 50-year old building. A ceiling cover called "Simple Saver" was installed and R25 insulation was put into the ceiling.

During this time, a new HVAC system was put in as well. This system will control the environment in terms of heating, cooling and the humidity in a very energy efficient way. We also put in new, more efficient lights and ceiling fans.

These were needed improvements and we are very satisfied with the results of the upgrades.

The Spartans have played lots of competitive teams and bigger classes with wins against Arcadia/Loup City and Mullen. With the exception of one game, the girls have won at least one set in every game.

The Spartans earned 2nd place in the Seven Valleys Tournament on September 11th at Callaway. FKC play starts October 11th. Good luck to the Spartans for the remainder of the season.

October testing

Juniors will be taking the ASVAB (Armed Services Vocational Aptitude Battery) on Tuesday, October 5, 2021. ASVAB is the military placement test but also measures student knowledge and ability in several areas. This has a career exploration section that gives students an opportunity to learn more about themselves and the world of work, to identify and explore potential goals, and to develop a strategy to help get to those goals.

Sophomores will be taking the PreACT on October 27th. This test is very similar to the ACT test but shorter in length. It tests on all four ACT test subjects: English, math, reading, and science. The results predict future success on the ACT test, provide current achievement as well as projected ACT scores (1-36) on the ACT test they take as juniors. Students may begin sharing their information with colleges and scholarship agencies. The interest inventory provides students with a personalized view of colleges and career alignments. Sophomores may study for the PreACT as they would for the ACT. Sophomores, you have an OnToCollege account where you can prepare for the PreACT test. Please see Mrs. Poland for more information.

College Tours

The Juniors attended the EducationQuest sponsored College Fair on September 13th in Broken Bow and had the opportunity to meet with over 35 colleges, specialty colleges, and military representatives.

The Virtual College Fairs sponsored by Education Quest are October 12th from 9 am to 12 pm, November 10th from 5 pm. to 8 pm, and December 8th from 9 am to 12 pm. You can go to eqf.org/collegefair to register. We encourage all seniors and juniors to tour colleges of their interest. This provides additional information to parents and students as students begin to decide where they wish to attend college. Remember, 2-year and 4-year colleges are important to visit.

ACT Test Dates

Registered for October 23rd national ACT test? Remember to study with our OnToCollege ACT Test preparation. December 11th registration deadline is November 6th. Go to www.act.org to register. Some students may qualify for an ACT fee waiver. Please have your student contact Mrs. Poland to inquire. *Seniors*, remember to use the John Baylor OnToCollege website and ACT Academy to review for your ACT test. *Juniors*, keep up on your OnToCollege and review any material as we go. Utilize Khan Academy to help review material, too.

Scholarships

There is a scholarship opportunity for students taking dual-enrollment college courses. Students participating in dual-enrollment college courses or early admit programs are encouraged to apply for the Access College Early (ACE) Scholarship if they show

financial need. This state and federally-funded scholarship will pay tuition and mandatory fees at participating Nebraska colleges. Applications will be reviewed by Nebraska's Coordinating Commission for Postsecondary Education (CCPE). If you have questions, contact me or Ritchie Morrow, Financial Aid Coordinator, CCPE, ritchie.morrow@nebraska.gov, or 402.471.0032.

For local and state scholarships, visit *Scholarship Quest* at **EducationQuest.org**. It is never too early to begin searching for scholarships as well as making your list of strengths, volunteer activities, and other notable characteristics about yourself.

Prepare for the FAFSA with *free* programs and resources

If you're a senior, it's time to start preparing for the FAFSA (Free Application for Federal Student Aid). You'll complete the form after *October 1* and typically, before April 1 depending on your college's priority deadline. Colleges will use your FAFSA results to determine how much they will award you in federal, state, and college-based financial aid.

The following Education link will help you learn more about the financial aid process and the FAFSA <http://www.educationquest.org> **Kearney office** 308-234-6310. **Follow them on Facebook and [Twitter!](#)**

FAFSA Webinars

EducationQuest will be conducting several FAFSA tutorial virtual events throughout the months of October and November. Please check out their website to register for the fall webinars.
